On the 25<sup>th</sup> June we held a Water Test Day at Wiltshire Wet Leo's, our stewards were Fiona Parry, Penny Tagoe and Emma Field support by our boat person for the day Connor Parry and scribe Yvonne Hazelgrove. The team worked very hard and everyone in the group did a wonderful job supporting other club members and ensuring the day ran smoothly.

Our Judges for the day were Mr Gordon Ashfield & Mr John Tyler and we would like to thank them for supporting the day and all the constructive feedback and help they gave to everyone taking part.

We had a good number of entries, 13 in all which included one invitation by the judges to enter the B test after a successful A test pass.

The A test consisted of 4 entries, handlers and dogs performed well and all 4 entrants passed. Jazzbo and Rob Stallard were invited to try for the B test. Fiona and Hoshi who at only 6 months was the youngest dog on the day did an amazing test and it was only Hoshi age which prevented them being invited to try for the B test.

We had 7 B test entries; sadly we had only one dog obtaining a pass on the day. The others were just not quiet ready; but as a group we have learnt a lot from the feedback given and will put in plans to help each dog based on the individual feedback received.

We had one C test entrant, who did a wonderful test and passed with flying colours, despite the fact that there was some confusion at the beginning of the test due to rule changes, which neither had been published on the web site or provided to the WWL team. Though challenged it was overruled by the judges and the new rules applied. We are hoping to receive a copy of the new regulations soon, and hopefully the website will be updated accordingly.

Whilst we are proud of all our members' achievements for this years test day, the overriding memories for the day will be watching Hoshi at only 6 month old doing an impeccable A test, and our honouree Leonberger Mocha (a Spanish Water Dog) handled by Penny pulling the boat ashore.
