

Test Managers Report 26th October 2010
Wiltshire Wet Leo's,
Cotswold Sailing Club, Spinnaker Lake, Lake 9
Cerney Wick Lane, Cotswold Water Park,
Wiltshire.

We held our first Water Test Day at Wiltshire Wet Leo's for this year, our stewards for the day were Fiona Parry, Bonnie Hopkins and Emma Field with our boat person for the day Colin Brown, all performed their tasks with quick and efficient stewardship.

We had a good entry with 14 dogs aging from the youngest at 1yr 3 months and the eldest at 8 years doing a total of 17 test in all which included those invited by the judge to do further tests levels.

Many thanks must go to our judges for the day, John Tyler and Gordon Ashfield, giving welcomed advice, encouragement and direction when it was needed and giving lots of confidence to our nervous first timers.

We had wonderful weather, sunny with a slight onshore breeze to help keep us cool. Team spirit amongst the members was good with everyone cheering the successes of the day.

We saw all our dogs who entered the A tests passing with the majority being invited to try the B Level test. We also saw two good B level passes with other members not quite ready for a pass just yet, we know what we have to work on to be able to see these dogs pass very soon.

We had 3 C level entrants on the day one coming from outside the group which was nice, but they weren't quite ready for their passes, again we know what we have to work on to see these dogs pass very soon.

Whilst we are proud of all our members achievements on this first test of the year, the overriding memories for the day will be watching Echo our eldest Leo, at the age of 8 years, who has LP completing and passing her B Level test, this was a very special moment for her owner Fiona and for the group who have watched her do so well despite her condition.
